

Amendments to the Drawings:

Figs. 2, 5B, 6A and 7A have been revised to correct minor informalities contained therein. Replacement sheets including the revised Figures are attached.

In particular, Fig. 2 has been revised to cut the connection lines from the receiver-side PC 66 to the receiver-side FAX apparatus A58 or B59. Fig. 5B has been revised to correct the chassis shown therein. Figs. 6a and 7A have been revised to correct the e-mail address of the receiver side.
